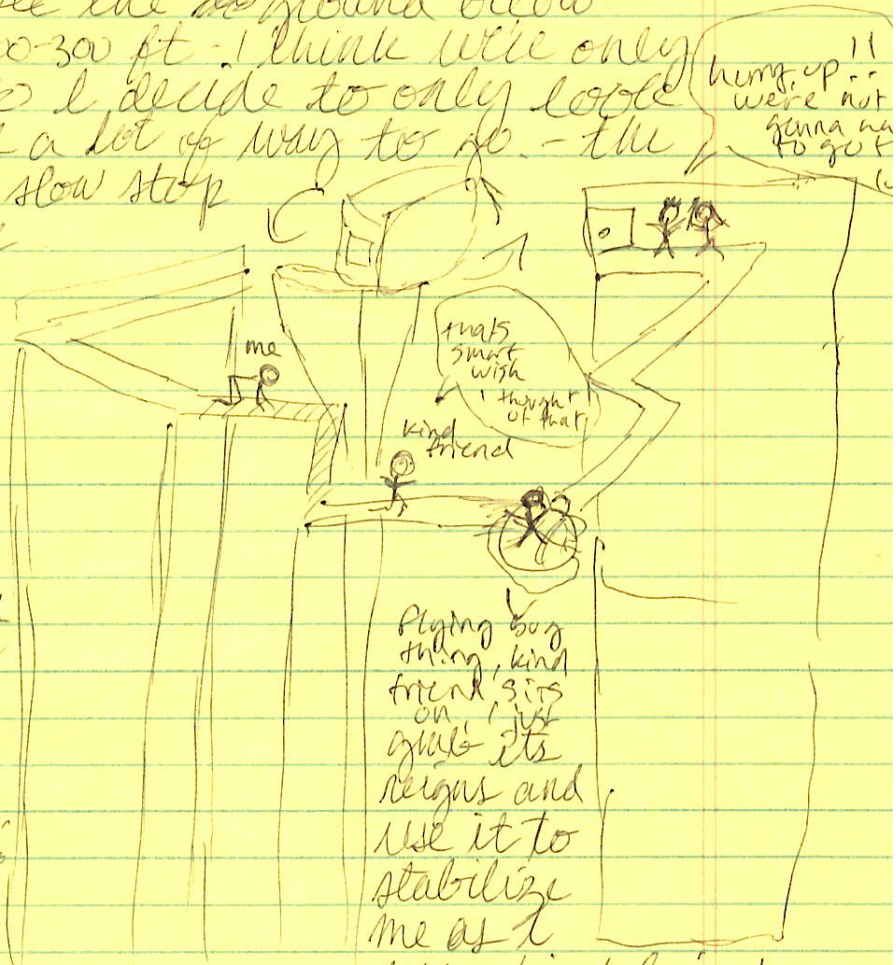
8/10 Elain, people appearing carnda maps, huge (as big as a state)
glacier melt / Lake / water reservoir east of oregon - Earthquake seattle parents
Sara Wills 3rd at first, I'm sitting outside doing my 'tarot' thing being me &
Lights off, I try run away - they grab me an bring me back, others keep
appearing - I'm initially scared of - meet a few who are nice ?. Their parents
show weird sexual wishes

8/10 midday map - shaky elevator 'oh you get panic attacks?' yeah really easily (3rd 4 others 2/3 dudes and 1 girl? [illegible] me) I look out the window and the elevator rotates to see the ground below which looks to be 200-300 ft. I think we're only going to floor 11-80 I decide to only look up - and soon there is a lot of way to go - the elevator comes to a slow stop



me
that's smart wish I thought of that
kind friend
Playing bug thing, kind friend sits on, just grabs its legs and use it to stabilize me as I run, kind friend whose just a bit faster but really scared of flying bug says 'wish I could

we can't get out - where door is over ledge dude shakes elevator and it spins (10-20 degrees ?, lands on 'appropriate' spot - I look out, and see what we must do traverse planks & ladders 300 ft up in the air in order to get to our 'destination' which seemed to be a hospital - I think we were getting medicine

I wake up - Damn scary dream - climb to being brought boy - Em spreads and out of it - got for water
